## Description

|                    |                                                        |
|--------------------|--------------------------------------------------------|
| Product Name       | Fructose-bisphosphate aldolase C                       |
| Brief Description  | Recombinant Protein                                    |
| Host Species       | E.coli                                                 |
| Purification       | Greater than 90% by SDS-PAGE                           |
| Species Reactivity | Chicken                                                |
| Other Names        | Brain-type aldolase                                    |
| Accession No.      | Uniprot ID:P53449                                      |
| Uniprot            | P53449                                                 |
| Tag Info           | His                                                    |
| Storage            | Store at -20°C. (Avoid repeated freezing and thawing.) |

## Application Details

Storage Buffer: 50mM NaH<sub>2</sub>PO<sub>4</sub>, 500mM NaCl Buffer with 500mM Imidazole, 10% glycerol (pH 8.0) gene\_full\_name: ALDOC

Note: This product is for in vitro research use only
