

FLIP Antibody

Catalog No: #24030

Orders: order@signalwayantibody.comSupport: tech@signalwayantibody.com

Description

Product Name	FLIP Antibody
Host Species	Rabbit
Clonality	Polyclonal
Purification	FLIP Antibody is affinity chromatography purified via peptide column.
Applications	ELISA WB ICC
Species Reactivity	Hu Ms Rt
Specificity	Antibody recognizes the FLIPa only.
Immunogen Type	Peptide
Immunogen Description	Raised against a peptide corresponding to amino acids near the C-terminus of human FLIPaFLIPI form.
Target Name	FLIP
Other Names	I-FLICE
Accession No.	Swiss-Prot:O15519Gene ID:8837
Uniprot	O15519
GeneID	8837;
Concentration	1mg/ml
Formulation	Supplied in PBS containing 0.02% sodium azide.
Storage	Can be stored at -20°C, stable for one year. As with all antibodies care should be taken to avoid repeated freeze thaw cycles. Antibodies should not be exposed to prolonged high temperatures.

Application Details

Predicted MW: 55 kd

Images

Western blot analysis of FLIP in HeLa (H), Jurkat (J), and K562 (K) whole cell lysate with FLIP antibody at 1:1000 dilution.

Immunocytochemistry of FLIP in Jurkat cells with FLIP antibody at 10 ug/mL.

Background

Apoptosis is related to many diseases and induced by a family of cell death receptors and their ligands. Cell death signals are transduced by death domain (DD)-containing adapter molecules and members of the ICE/CED-3 protease family. Caspases-8 (FLICE) and -10 (FLICE2) are two pivotal members in the ICE/CED-3 protease family. FLICE-inhibitory proteins were identified in virus and human and designated v-FLIPs and FLIP, respectively. The human FLIP was also cloned by several labs independently and termed Casper, I-FLICE, FLAME-1, CASH and CLARP3-7. FLIP contains two death effector domains (DEDs) and a caspase-like domain. FLIP interacts with adapter protein FADD and caspase-8 and 10, and potentially inhibits apoptosis induced by all known death receptors. Four splice variants of c-FLIPs have been identified and termed FLIPalpha, beta, gamma, and delta, respectively.

Note: This product is for in vitro research use only
