

syk(Ab-323) Antibody

Catalog No: #21546

Package Size: #21546-1 50ul #21546-2 100ul

Orders: order@signalwayantibody.comSupport: tech@signalwayantibody.com

Description

Product Name	syk(Ab-323) Antibody
Host Species	Rabbit
Clonality	Polyclonal
Purification	Antibodies were produced by immunizing rabbits with synthetic peptide and KLH conjugates. Antibodies were purified by affinity-chromatography using epitope-specific peptide.
Applications	WB IHC IF
Species Reactivity	Hu
Specificity	The antibody detects endogenous level of total syk protein.
Immunogen Type	Peptide-KLH
Immunogen Description	Peptide sequence around aa. 321~325 (N-P-Y-E-P) derived from Human syk.
Target Name	syk
Other Names	Spleen tyrosine kinase
Accession No.	Swiss-Prot: P43405NCBI Protein: NP_001128524.1
Uniprot	P43405
GeneID	6850;
Concentration	1.0mg/ml
Formulation	Supplied at 1.0mg/mL in phosphate buffered saline (without Mg ²⁺ and Ca ²⁺), pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.
Storage	Store at -20°C for long term preservation (recommended). Store at 4°C for short term use.

Application Details

Predicted MW: 72kd

Western blotting: 1:500~1:1000

Immunohistochemistry: 1:50~1:100

Immunofluorescence: 1:100~1:200

Images

Western blot analysis of extracts from JK cells using syk(Ab-323) Antibody #21546.

Immunohistochemical analysis of paraffin-embedded human breast carcinoma tissue using syk(Ab-323) Antibody #21546(left) or the same antibody preincubated with blocking peptide(right).

Immunofluorescence staining of methanol-fixed HeLa cells using syk(Ab-323) Antibody #21546.

Background

Positive effector of BCR-stimulated responses. Couples the B-cell antigen receptor (BCR) to the mobilization of calcium ion either through a phosphoinositide 3-kinase-dependent pathway, when not phosphorylated on tyrosines of the linker region, or through a phospholipase C-gamma-dependent pathway, when phosphorylated on Tyr-348 and Tyr-352. Thus the differential phosphorylation of Syk can determine the pathway by which BCR is coupled to the regulation of intracellular calcium ion
